

## ADANO PRAYER

### GOD BECAME YOU

The Father's Script is already written.  
It could be worse - it's going to get better.  
It's perfectly balanced in all it's working.  
Even if it appears irrational and irritable  
It's to build up immunity through resistance.

And understanding acts as a shunt to the Script.  
So we must act to be practical, not rational  
Through gradations of fixations, illusions and vibrations  
Which are all part of the Script  
As we watch the Father unfold his Script.

We can do nothing without the Father  
Who gives us what we need, not what we want  
In order to learn to cope, to stick it out  
As we accept What we are in the ever new, unrehearsed  
Joy of the moment as Process, not goal.

All experience is neutral and designed in the Script  
To always grow in appreciation for each "Thank You."  
In the neutrality, don't label or computerize or compare.  
Simply camerize and see it as it is  
And die daily in the confrontative functionality of Life.

You don't have a body. Consciousness is the body.  
God is the consciousness as breath in form  
And is the driver taking responsibility in the Script.  
Don't panic. Give thanks for the sky and the clouds and Breathe.  
The only place that God is, is in the process of Now.
